Grab & Go Refrigerated Display Merchandiser

Gem from Williams: the comprehensive range of front of house refrigerated display merchandisers

Perfectly suited to the fast-growing 'grab & go' sector, with standard and slimline multidecks, sandwich chillers and pastry chillers

Williams Refrigeration is a leading manufacturer of commercial refrigeration with a global reputation for delivering excellence.

Our extensive product range includes high performance, energy efficient and environment friendly refrigerated cabinets and counters, blast chillers, coldrooms, backbar and specialist bakery equipment.

Our customer commitment helps you meet the demands of food safety and energy efficiency legislation. Our competitive pricing, professional advice, innovative design and focus on service and support attracts customers from all sectors of the market – including many of the world's leading hospitality and retail organisations.

Williams 'right first time' philosophy means that its products provide years of trouble-free operation and are easy to service and maintain.

Through the Greenlogic initiative, Williams is committed to supplying the most energy efficient and sustainable commercial refrigeration in today's market. For more information visit www.greenlogic.info

LED Lights

FEATURES AND BENEFITS

- Rear loading doors provide easy access for quick restocking of merchandise
- Panoramic tempered glass sides / glass shelves for maximum all round visibility - perfect for grab & go
- Adjustable shelving for maximum flexibility
- Advanced airflow technology guarantees consistent temperature control, between +3°C / +5°C. Products are kept fresh and safe, while your business conforms to HACCP legislation with minimal effort.
- Digital controller with clear temperature display
- Double wheel castors for easy positioning and levelling feet for guaranteed stability
- Double lock security shutter for increased overnight protection
- Chrome impulse snack basket to maximise and improve merchandising potential
- A full range of colours to suit your décor or to truly stand out from the crowd
- Sliding front doors - smooth operating, easy access and guaranteed uniform temperatures, keeping products fresh and in clear view, while significantly reducing your energy consumption.
- LED strip lighting fitted as standard – offering great energy savings and superb visibility of merchandise
- Removable EPOS ticket strips for improved merchandising
- Remote refrigeration for noise sensitive areas and easy access for servicing

*SLIDING FRONT DOORS OFFER UP TO
50% ENERGY SAVINGS AND GUARANTEE
UNIFORM TEMPERATURES*

A GEM FOR EVERY OCCASSION

The Gem Multidecks range is designed to suit any environment and application. The choice of sizes ranges from the slimline R65, with its compact footprint, up to the M180, which has a capacity of over 32 cubic litres.

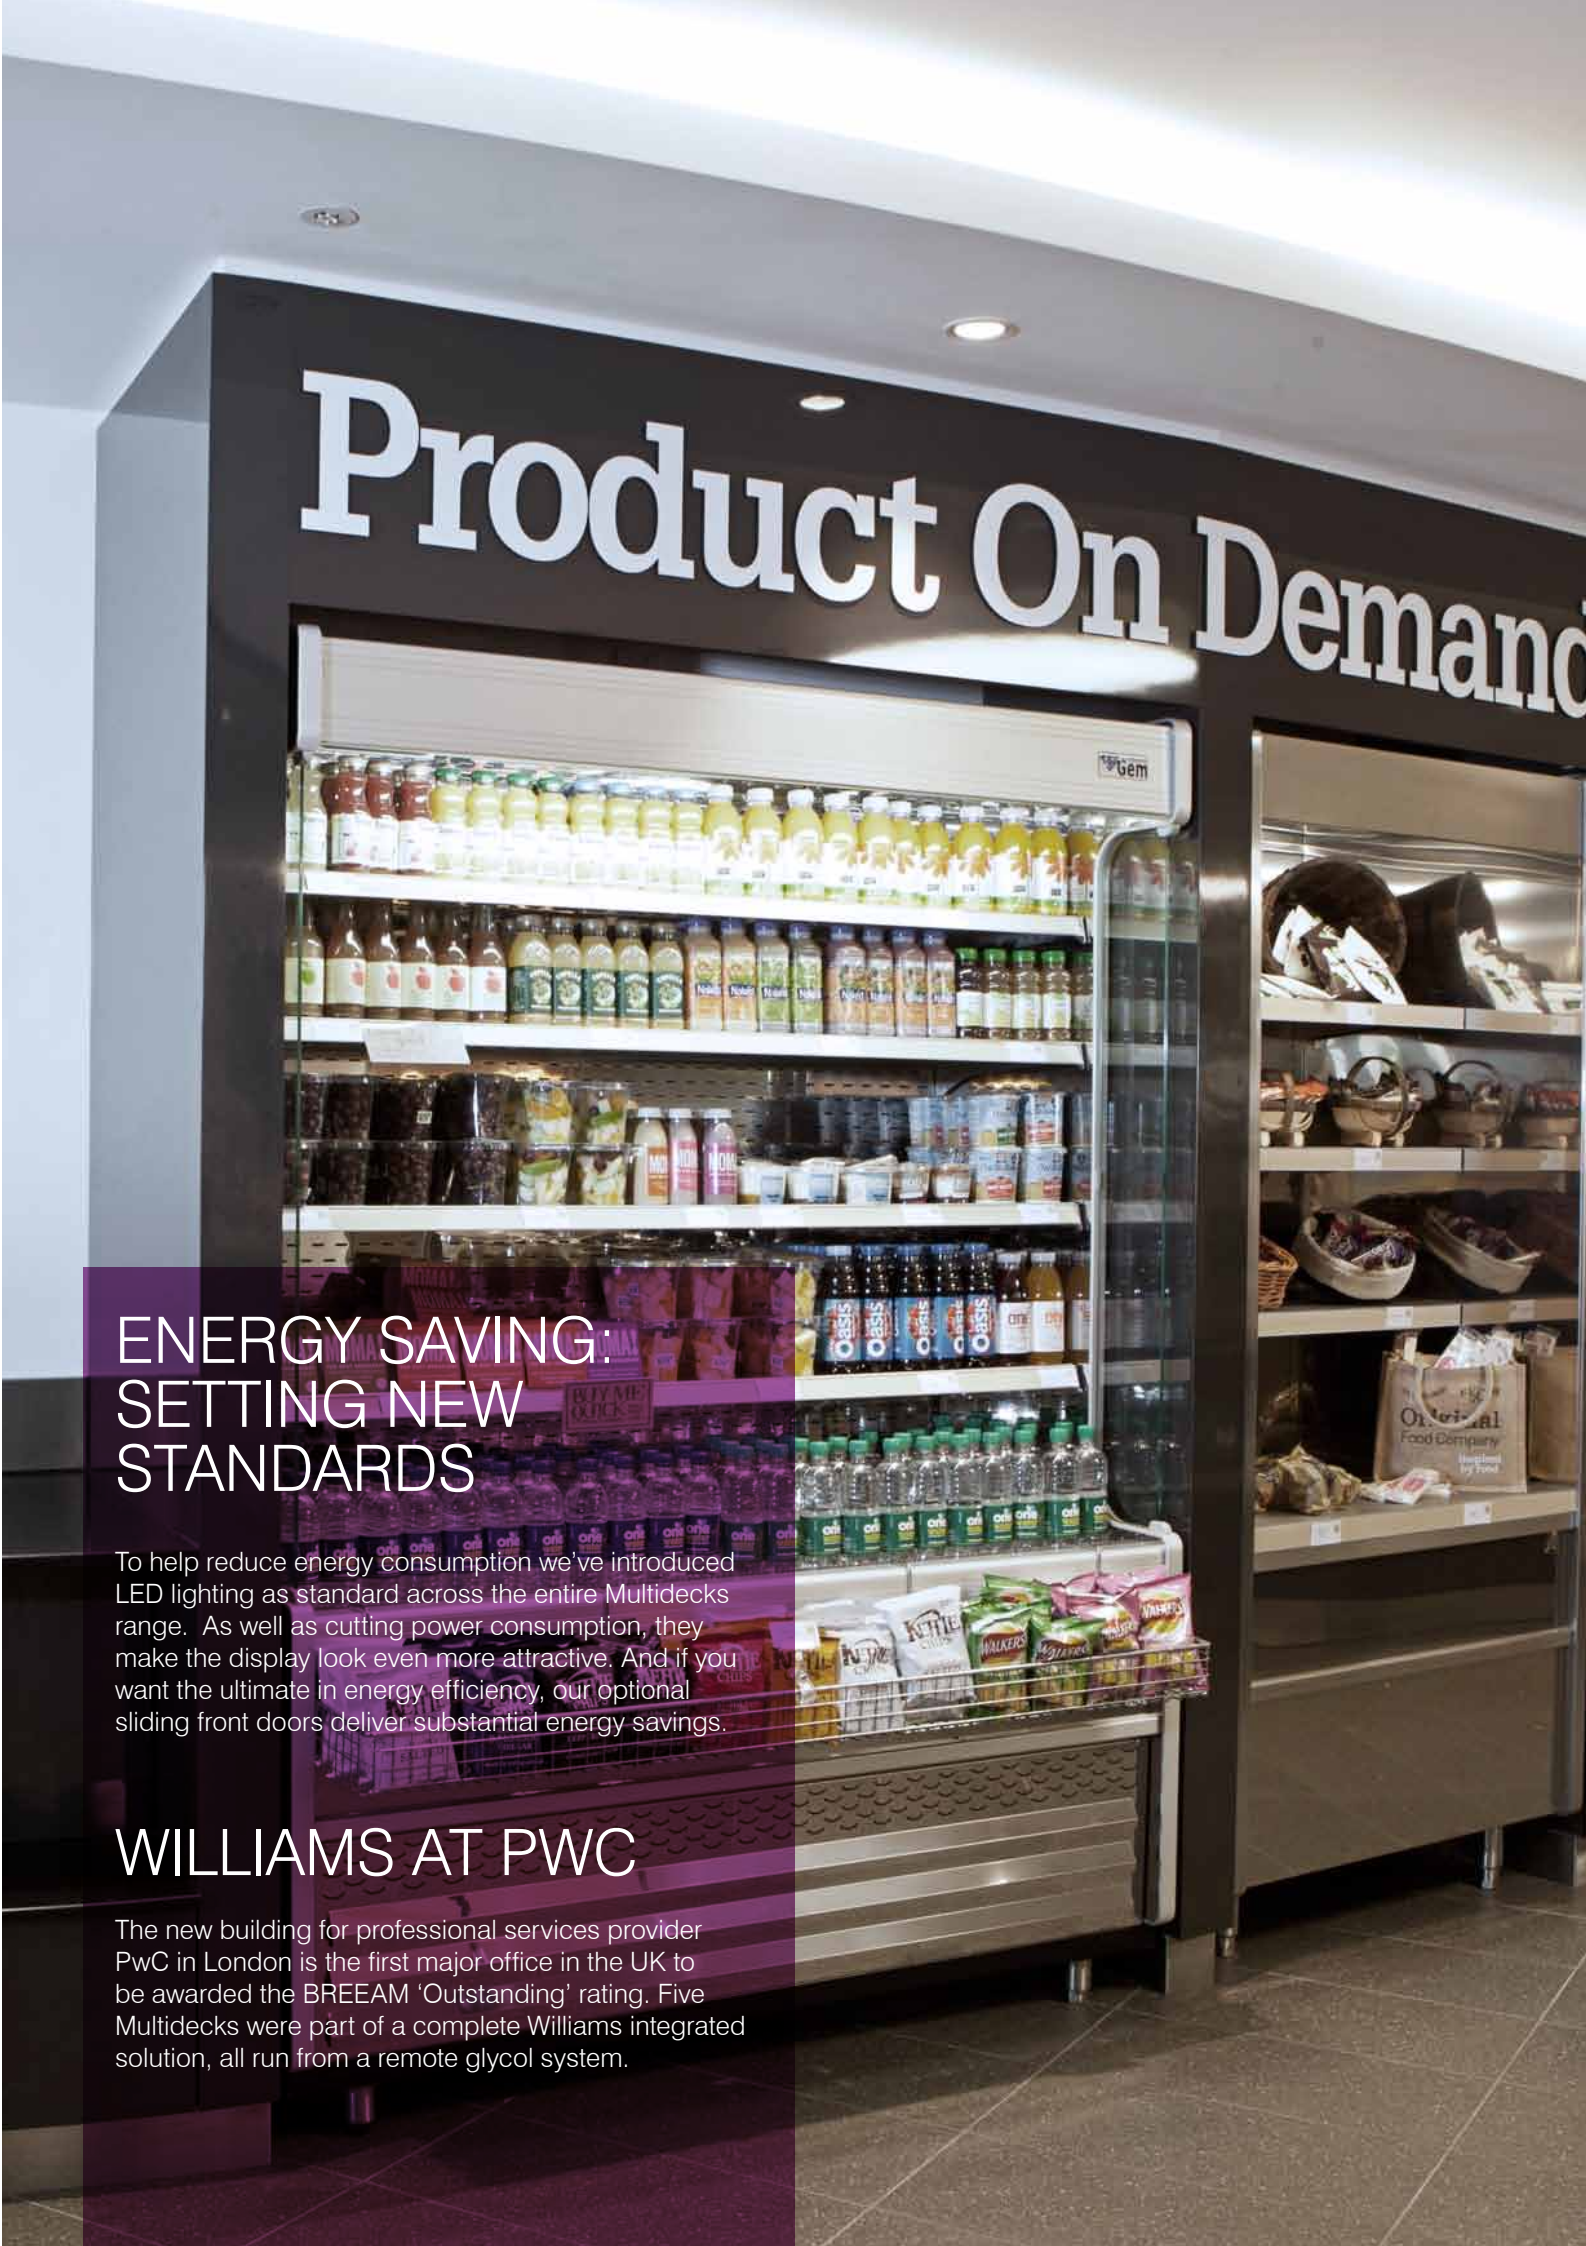

Now Multidecks are available in a vast range of striking coloured finishes to suit your décor or to truly stand out from the crowd.

ACCESSORISE

Make the most of the Multideck's merchandising potential with a variety of features and options such as:

- Easy-fitting snack selection baskets
- Lockable security shutters
- Night blinds
- Mirrored panels
- Illuminated shelving

STAND OUT FROM THE CROWD WITH THE MULTIDECKS' DESIGNER COLOURED FINISHES

ENERGY SAVING: SETTING NEW STANDARDS

To help reduce energy consumption we've introduced LED lighting as standard across the entire Multidecks range. As well as cutting power consumption, they make the display look even more attractive. And if you want the ultimate in energy efficiency, our optional sliding front doors deliver substantial energy savings.

WILLIAMS AT PWC

The new building for professional services provider PwC in London is the first major office in the UK to be awarded the BREEAM 'Outstanding' rating. Five Multidecks were part of a complete Williams integrated solution, all run from a remote glycol system.

GEM MULTIDECKS

Williams' Gem Multidecks are one of the most popular refrigerated merchandisers for coffee shops, supermarkets, hotels, schools, universities, delicatessens, restaurants and hospitals.

With the increase in 'grab & go' service, our Gem Multidecks have never been in such demand!

Their designer style improves your front of house, while their clever layout maximises every millimetre of retail space.

Williams offers the Multideck range in a choice of slimline or standard versions, to suit the available room.

Both formats are perfect for front of house display, enhancing presentation and giving customers open, easy access to drinks, pre-packed snacks and dairy products.
